**Accommodation:** Participants may choose the place to stay. If you want to be very close to the solving venue we suggest a 4-star Hotel Heritage located 300 meters away from the club (Mije Kovačevića 7), with specially reduced prices for XVI BPCF and very limited number of available rooms at this part of the year. The end of May is a perfect time to use the Rooftop gastro bar:

Those interested to stay in the Hotel Heritage should contact us for details as soon as possible, and **not later than March 30.**
